This architectural site plan illustrates a residential complex with various plots labeled from 1 to 27. The plots are arranged in several rows, each featuring a central building with a unique cross-hatched pattern. The plan includes detailed landscaping, including shrubs, trees, and paved walkways. Specific dimensions are indicated for some plots, such as 6.0, 1.5, 8.5, 2.5, 3.0, and 4.75 meters. A central feature is a large, multi-level building with a grid pattern, surrounded by a U-shaped walkway. The overall layout is designed to maximize privacy and sunlight for the residents.
